LONG REACH

HYDRAULIC EXCAVATORS OF NORTH AMERICA

BUILT LIKE NO OTHER

LONG REACH

SK210LC LR

LONG REACH: 50' (15,240 MM)
ENGINE: HINO JO5E-UM
NET POWER: 160 HP (119 KW) / 2,000 RPM
SWING SPEED: 12.7 RPM
OPERATING WEIGHT: 52,200 LBS (23,700 KG)
GROUND PRESSURE: 5.4 PSI (37 KPA)

MAIN SPECIFICATIONS	SK210LC-10 LR
A. Overall Length	41' 8" (12,690 mm)
B. Overall Height	10' 3" (3,120 mm)
C. Overall Width	10' 5" (3,180 mm)
D. Shoe Width	31.5" (800 mm)

NEXT EVOLUTION OF EFFICIENCY

Since 1930, we've built KOBELCO excavators to be leaders in the industry, adding innovation to our machines at every turn. Our latest machines build on that legacy.

Our Generation 10 machines offer a 7% increase in work volume per hour compared to their predecessors – all while providing up to a 10% decrease in fuel consumption in S-mode and a further 6% decrease in Eco-mode. Plus, with a higher boom foot cross-section and thicker arm foot base, you can lift heavier loads with complete confidence.

THE PERFECT PARTS FOR THE JOB

Don't risk it with second hand parts when you can have KOBELCO Genuine Parts shipped the next day. Designed and manufactured to factory specification, they're guaranteed to maintain the quality, power and efficiency of your machine. Just make one call to your local KOBELCO dealer and we'll have parts dispatched from our Katy, TX warehouse to wherever you need them.

EXCLUSIVE FINANCING FOR KOBELCO EXCAVATORS

KOBELCO Financial Services is committed to help you get the machine you need to boost your business's productivity and profitability. From our Fair Market Value lease to loans with low monthly payments, we'll design a solution that works for you.

BACKED BY KO-PRO WARRANTY

We build our excavators to such exacting standards, we can back them with the strongest warranty in the industry. All models come with a standard full three year or 3,000 hour KO-PRO warranty.* Models from the SK75 and up also include three full years of KOMEXS machine monitoring. That's serious protection for nearly every component in your excavator.

**SK17-SK850; severe duty applications may not apply*

EXTENDED COVERAGE FOR ADDED PEACE OF MIND

With the KOBELCO Premium Protection Plan, you can mix and match coverage options to create a personalized package that best fits your operation. With zero deductible, you never need to worry about out-of-pocket expenses or residual billing for a repair performed right in the field.

KNOW WHEN YOU NEED SERVICE

Our KOMEXS telematics service provides warning alerts when your machine needs service and offers easy access to all your maintenance history. From anywhere you have Internet access, you can see where your machines are located at any given time along with their work status, total operating hours and fuel consumption. KOMEXS is included for the length of any warranty term on our mid- and full-size excavators, or it's available as a standalone service.
