

A WARRANTY BUILT LIKE NO OTHER

KOBELCO

NEW 4 YEAR/4,000 HOUR KO-PRO+ STANDARD WARRANTY

We build our excavators to such exacting standards that we can back them with the strongest warranty in the industry. All 2024 and newer model year compact excavator products and all 2021 and newer model year full-size (SK75 and larger) Tier IV Final heavy excavator products* will come with a standard full four-year or 4,000-hour KO-PRO+ standard warranty. The full size models also include four full years of KOMEXS machine monitoring. That's serious protection for nearly every component in your excavator.

- Most comprehensive standard warranty in the industry
- Nationwide dealer network
- Genuine OEM parts

*Does not apply to earlier compact models, specialty products**, or severe duty applications. Limited standard warranty terms and conditions apply.

**Specialty products include the Hybrid, SK300 Log Loader, SK300 Long Reach, Car Dismantler, Material Handler, Scrap Loader, and Building Demolition models. These will carry the 3 year / 3,000 hour standard coverage term.

PROTECTION BEYOND THE BASE WARRANTY

The KOBELCO Premium Protection Plan (KPPP) allows you to customize coverage to fit your needs and budget. Choose from full extended base coverage or PT+HYD component coverage* for both new and used machines. When you purchase KPPP for your excavator, you're managing the cost of unexpected repairs after the standard warranty period expires. Should you need repairs, you'll deal directly with your nearest KOBELCO dealer to facilitate the repairs quickly using original OEM parts.

- Competitively priced with zero deductible
- Custom quotes for severe duty or specialty applications available
- Fully administered by KOBELCO with genuine OEM parts

*See component coverage listing for all covered items. See terms and conditions for details.

KNOW WHEN YOU NEED SERVICE

Our KOMEXS telematics service provides warning alerts when your machine needs service and offers easy access to all your maintenance history. From anywhere you have internet access, you can see where your machines are located along with work status, total operating hours, and fuel consumption. KOMEXS is included for the length of every warranty term on our mid- and full-size excavators, or it's available as a standalone service.

- Receive warning alerts and troubleshoot errors
- View engine hours and plan maintenance
- View GPS location coordinates, work status, and more
