KOBELCO USA Expands Dealer Network with Addition of Transport Camille Dionne

Katy, TX – KOBELCO Construction Machinery USA continues to expand representation in the North American market by adding Transport Camille Dionne to its nationwide dealer network. Transport Camille Dionne will represent the full line of KOBELCO excavators in Quebec, Canada.

“KOBELCO has always been known for top quality machinery,” says Robert Redmond, General Manager at Transport Camille Dionne. “Adding them to our equipment offering goes hand-in-hand with our mission, which is to provide our customers with the best machinery, parts and service required to complete any job. We see great value in the innovative technologies and performance capabilities that KOBELCO excavators deliver and we are confident that our customers will too.”

KOBELCO has long been recognized for its world class line of excavators. In order to continuously improve its singular product line, the team of KOBELCO engineers and field experts dedicate substantial time and effort into the research and development of today’s leading technologies and machinery. KOBELCO ensures the delivery of excavators that can withstand the day-to-day rigors of demanding jobsites, while providing operators with all the production and comfort features required for a profitable day’s work.

The staff of Transport Camille Dionne will be working closely with KOBELCO to gain the required sales and product support training to deliver on the KOBELCO promise of customer satisfaction. Transport Camille Dionne will provide professional rentals, sales and service support for KOBELCO excavators from their location in Laval, Quebec.

“Transport Camille Dionne is committed to delivering superior equipment and reliable service,” says Jack Fendrick, COO and Vice President of KOBELCO USA. “They make their customers their highest priority and that is exactly what we look for in a KOBELCO dealer. We look forward to a successful partnership.”
