### **KOBELCO USA Names Tractorland as Dealer in Alberta**

Katy, TX – KOBELCO Construction Machinery USA continues to expand representation in the North American market by adding Tractorland to its growing dealer network. Tractorland will represent the full line of KOBELCO excavators in Balzac, Alberta.

“KOBELCO is a quality excavator manufacturer with a strong customer base and an excellent reputation for building robust, reliable machines with advanced technology and superior performance,” states Archie Hall, President of Tractorland. “Not only are KOBELCO’s excavators top-notch, their after-purchase service support is second to none. We’re thrilled to add the KOBELCO brand to our equipment offerings.”

KOBELCO has long been recognized for its world class line of excavators. In order to continuously improve its singular product line, the team of KOBELCO engineers and field experts dedicate substantial time and effort into the research and development of today’s leading technologies and machinery. KOBELCO ensures the delivery of excavators that can withstand the day-to-day rigors of demanding jobsites, while providing operators with all the production and comfort features required for a profitable days work.

The staff of Tractorland will be working closely with KOBELCO to gain the required sales and product support training to deliver on the KOBELCO promise of customer satisfaction. Tractorland will provide professional sales, rentals, parts and service support on all KOBELCO excavators from their location in Balzac, Alberta, just east of Cross Iron Mills.

Tractorland is a 10-year old, family-owned and operated heavy equipment dealership, who prides itself on providing the highest quality service possible. Tractorland's staff of well-trained experts is dedicated to supplying their valued customers with reliable equipment to suit their application needs. For more information on Tractorland or KOBELCO excavators currently in stock, please call 587-619-6000 or visit [www.Tractorland.ca](http://www.Tractorland.ca).

KOBELCO Construction Machinery USA offers industry-leading crawler excavators in the 3,000 lb. to 245,000 lb. classes including zero tail swing, compact, standard, long-reach, mass excavation, and demolition models. Well-known as the excavator authority, KOBELCO is committed to producing quality machines with advanced productivity-boosting features and innovative technologies. With premier capabilities such as no time limit power boost and exclusive independent travel, KOBELCO machines ensure superior performance and efficiency for the toughest worksite challenges.
