## **KOBELCO USA Adds Marshall Machinery to Growing Dealer Network**

*Katy, TX* – KOBELCO Construction Machinery USA continues to expand representation in the North American market by adding Marshall Machinery to its nationwide dealer network. Marshall Machinery will represent the full line of KOBELCO excavators in Pennsylvania.

“Marshall Machinery is committed to delivering total customer satisfaction,” says Jack Fendrick, COO and Vice President of KOBELCO USA. “They recently expanded into a 25,000-square-foot facility and added a third dealership location in Pennsylvania. Marshall Machinery continues to enhance their capabilities and provide the superior machinery, parts, and service that their customers have relied on. We are pleased to have them join our growing dealer network and look forward to a successful partnership.”

KOBELCO has long been recognized for its world-class line of excavators. In order to continuously improve its singular product line, the team of KOBELCO engineers and field experts dedicate substantial time and effort into the research and development of today’s leading technologies and machinery. KOBELCO ensures the delivery of excavators that can withstand the day-to-day rigors of demanding jobsites, while providing operators with all the production and comfort features required for a profitable day’s work.

The staff of Marshall Machinery will be working closely with KOBELCO to gain the sales and product support training to deliver on the KOBELCO promise of customer satisfaction. Marshall Machinery will provide sales and service support for KOBELCO excavators from their three Pennsylvania locations in Honesdale, South Abington Township, and Tannersville.

Marshall Machinery is a locally owned and operated heavy equipment dealership dedicated to serving the agriculture and construction industries. Their team is committed to delivering high-quality products, innovative solutions, and exceptional customer service. For more information on Marshall Machinery or KOBELCO excavators currently in stock, please visit [www.Marshall-Machinery.com](http://www.Marshall-Machinery.com).

KOBELCO Construction Machinery USA offers industry-leading crawler excavators in the 3,000 lb. to 185,000 lb. classes including zero tail swing, compact, standard, long reach, high and wide undercarriages, mass excavation, auto recycling and demolition models. Well-known as the excavator authority, KOBELCO is committed to producing quality machines with advanced productivity-boosting features and innovative technologies. With premier capabilities such as no time limit power boost and exclusive independent travel, KOBELCO machines ensure superior performance and efficiency for the toughest worksite challenges.
