KOBELCO USA Expands Dealer Network in Canada with New Partnerships

Katy, TX – KOBELCO Construction Machinery USA continues to expand representation in the North America market by adding Abi-Quip, Conaker Equipment, and Les Equipments Pinso Ltee to its growing dealer network.

“We’re dedicated to providing customers with the value of industry-leading KOBELCO excavators through our nationwide dealer network,” says Jack Fendrick, Chief Operating Officer/Vice President at KOBELCO USA. “Abi-Quip, Conaker, and Pinso are top-notch Canadian dealerships that maintain strong commitments to delivering outstanding customer service. We’re certain they will each be a positive addition to the KOBELCO North American network, and we look forward to lasting partnerships.”

The staff of each dealership will be working closely with KOBELCO to gain the required sales and product support training to deliver on the KOBELCO promise of customer satisfaction. Each dealership will provide professional sales, rentals, parts, and service support on KOBELCO excavators in Canada.

Abi-Quip will represent the full line of KOBELCO excavators from their location in Val-D’Or, Quebec. They are a full-service heavy equipment dealership that delivers exceptional service to customers in the mining, forestry, and general construction industries.

Conaker of Calgary, Alberta is a family owned and operated heavy equipment dealership with 40 years of experience serving the construction industry. They are dedicated to providing customers with exceptional sales and service and will represent the full line of KOBELCO excavators.

Pinso will offer KOBELCO excavators for sale and rent from their location in Cowansville, Quebec. Their team exhibits an unparalleled commitment to excellence in customer service and is dedicated to delivering the best possible equipment, parts, and service.

For more information on the new KOBELCO dealers, or KOBELCO excavators currently in stock, please visit: Abi-Quip at www.Abiquip.com, Conaker Equipment at www.Conaker.com, and Pinso at www.Pinso.com.

KOBELCO Construction Machinery USA offers industry-leading crawler excavators in the 3,000 lb. to 245,000 lb. classes including zero tail swing, compact, standard, long-reach, mass excavation, and demolition models. Well-known as the excavator authority, KOBELCO is committed to producing quality machines with advanced productivity-boosting features and innovative technologies. With premier capabilities such as no time limit power boost and exclusive independent travel, KOBELCO machines ensure superior performance and efficiency for the toughest worksite challenges.
