KOBELCO USA Grows Excavator Dealer Network with New Partnerships

Katy, TX – KOBELCO Construction Machinery USA continues to expand representation in the North American market by adding Correlli, Inc. and Frank Martin Sons, Inc. to its growing dealer network.

“Correlli and Frank Martin Sons are top-notch dealerships that maintain strong commitments to exceeding customer expectations and consistently deliver superior service and product support,” says Pete Morita, Vice President – Excavator Division at KOBELCO USA. “We’re excited to provide our customers with the quality and value of KOBELCO excavators through our powerful dealer network and we look forward to a lasting partnership with both dealers.”

The staff of Correlli and Frank Martin Sons will be working closely with KOBELCO to gain the required sales and product support training to deliver on the KOBELCO promise of customer satisfaction. Both dealerships will provide professional sales, rentals, parts and service support on KOBELCO excavators in the US.

Correlli of Dundalk, Maryland will represent KOBELCO solely as a compact excavator dealership. They are dedicated to serving the landscaping, commercial property and residential construction industries and will offer several KOBELCO units weighing up to 9 metric tons.

Frank Martin Sons will represent the full line of KOBELCO excavators from their locations in Fort Kent Mills and Madison, Maine. They are a full service heavy equipment dealership that delivers exceptional service to customers in the agricultural, forestry, and general construction industries.

For more information on the new KOBELCO dealers, or KOBELCO excavators currently in stock, please visit: Correlli, Inc. at www.Correlli.net, and Frank Martin Sons, Inc. at www.FMS-Equipment.com.

KOBELCO Construction Machinery USA offers industry-leading crawler excavators in the 3,000 lb. to 245,000 lb. classes including zero tail swing, compact, standard, long-reach, mass excavation, and demolition models. Well-known as the excavator authority, KOBELCO is committed to producing quality machines with advanced productivity-boosting features and innovative technologies. With premier capabilities such as no time limit power boost and exclusive independent travel, KOBELCO machines ensure superior performance and efficiency for the toughest worksite challenges.
